

## Junk Modelling

What you will need

### Craft Pack

Selection of scrap items such as plastic bottles, crisp packets, cardboard

### From Centre Stock

Scissors  
Sellotape  
String  
PVA Glue

### Instructions

Students need lots of creativity and a good eye for rubbish.  
Ideas for working in small teams:-

- Build a London landmark
- Build an animal
- Make a designer outfit

Display the junk models around the centre when they have been made. Turn it into a competition!
