

## ASSISTANT CENTRE MANAGER (2019)

### Our Courses

Students who attend our courses participate in mixed-nationality English classes and a varied activity and excursion programme. We run a zigzag timetable in most of our centres, which means that there are usually morning and afternoon lessons. There is also the possibility of teaching on weekends (see specific centre programmes). Our daily activity programme covers a wide range of sporting and non-sporting activities. We also provide an extensive and enjoyable social programme in the evenings. The excursion programme allows the students to visit interesting places in the local area and also popular tourist destinations.
